Eligibility to undertake the Diploma

The Diploma is designed to provide students with a pathway to pursue studies in one of the Arts major areas while completing an undergraduate degree (usually in Faculties other than Arts). It is also open to students who have already completed an undergraduate degree who want to complement their studies, pursue studies in a different field, or 'upskill' for professional development purposes. The Diploma is available to domestic students only.

Diploma information

The Diploma in Arts consists of studies in a single major over three years. You must complete 24 units comprising:

- i) a minimum of 3 units and a maximum of 6 units at Level I;
- ii) a minimum of 3 units at Level II
- iii) at least 12 units at Level III, including the designated capstone.

Progressing through the Diploma

To progress through the diploma, you must complete at least 3 units in the major at Level I before studying courses at Level II, 3 units at Level II before undertaking courses at Level III, and 15 units in the major before undertaking the capstone course.

Academic Credit

Academic credit will be awarded in line with the Academic Credit Arrangements Policy at www.adelaide.edu.au/policies/. If you are studying a degree concurrently with the Diploma in Arts, you can apply to receive up to 12 units of credit in your primary degree, subject to the degree rules.
