

UNIT OVERLOAD REQUEST

Students are permitted to enrol in a maximum of 15 units (5 x 3 unit courses) per semester. As enrolment in 4 courses represents a full time enrolment, this is already an overload of 1 course.

If you wish to overload further, you should complete this form and submit it to the Faculty Office in person or by email. You must attempt to add the course via Access Adelaide and record the Enrolment Request ID number below. You will be notified of the outcome via your student email account.
