

THE UNIVERSITY
of ADELAIDE

BACHELOR OF TEACHING

Middle years double degree

arts.adelaide.edu.au/teaching

Enrol in the only program in South Australia that prepares you for teaching Years 7 to 10.

Middle years graduates are in demand in South Australian schools as Year 7s transition to high schools from 2022.

Our Double Degrees

Develop expert subject knowledge by combining your teaching degree with one of these areas:

- Arts
- Business Management
- Mathematical and Computer Sciences
- Music
- Science

Why study at the University of Adelaide?

Our staff have practical teaching experience, and our small class sizes mean you get the personal attention to maximise your potential. You will become part of a community of learners, who go on to become your professional network of colleagues.

Access great job opportunities through our extensive network of industry partners who specialise in the middle years. We collaborate with our partners in teaching, learning and research to make sure you emerge job-ready when you graduate.

Enter your future career with an ePortfolio that is ready to use as you step into the classroom.

Teaching Specialisations

You can choose two curriculum and methodology areas from:

- Accounting
- Business Studies
- Digital Technologies
- Economics
- English
- English as an additional language or dialect
- Geography
- History
- Humanities and Social Sciences
- Languages (Chinese, French, German, Indonesian, Italian, Japanese, Modern Greek, Spanish)
- Legal Studies
- Mathematics
- Media
- Music*
- Psychology
- Science (Biology, Chemistry, Earth and Environmental Science, Physics)
- Scientific Studies - STEM.

*The ability to read music is essential.

For Agricultural Science teaching, visit [Master of Teaching](#).

eLearning Program

Develop your digital capabilities in our eLearning Program – the first and only one of its kind for Education students in Australia. Use your own iPad with pencil and keyboard to its full teaching potential to earn Apple Teacher status.

Professional Experience

Practical experience in a school setting is vital to develop your teaching skills. You will have yearly placements in schools (80 days in total over the duration of your program). We also offer internships in the final year of the program.

Professional Accreditation

This program is accredited by the Teachers Registration Board of South Australia. Graduates may register to teach in South Australia, and in most cases interstate and overseas.

Entry Requirements

Visit ua.edu.au/degree-finder and search "teaching" for detailed information about entry requirements for domestic and international applicants.

The Teaching Capabilities Statement is part of the application process. It explains your motivation to become a teacher, and:

- your understanding of the role of a teacher
- your personal and academic qualities that will enable you to become an effective teacher
- your attitude to learning.

Additional Requirements

You need to meet the following requirements during the degree:

- the Child Protection Curriculum
- Responding to Abuse and Neglect training
- Working With Children Check (WWCC) prior to placement
- the Literacy and Numeracy Test for Initial Teacher Education (LANTITE).
