## **Become a judge and celebrate the WOW of Adelaide Fringe!**

Each year Adelaide Fringe recruits 200 arts industry leaders and arts lovers to find the must-see events, shows and exhibitions during Fringe. Could you be one of the judges to discover the hidden gems of Fringe?

### **What's involved?**

Judges are allocated one genre to assess and are required to see a minimum of five shows each week – three picked by you, two picked by us. You can of course see more if you want to!

Each judge will receive one complimentary ticket for the event they are judging. After every show, you will fill a quick online survey to score which will feed into the weekly meetings each Wednesday morning during Fringe. There will options to participate in the meetings if you are busy working during those times.

### **When are the awards?**

The weekly awards are presented every Thursday night at the Fringe Club at 11pm. The closing day BankSA awards will be presented on the final Sunday of Fringe at a brunch to celebrate our artists.
